V 7.0.0

ADVANTAGES

- Shows Central stock and Hub stock sorted by quantity available in stock from distributor and central stock
- Compare up to three tyre types (performance, price ...)
- Send the comparison to the customer by email
- Save your favorite brands
- Search simplified by dimensions, EAN code or references
- Filter seasonal tyres (winter / summer/ all seasons)
- Shows the discount and final price of repairer
- Selection of "Run flat" tyres by filter

ADD FAVORITE BRANDS TO FACILITATE YOUR SEARCH.

- Select at least one brand
- It is possible to select as many brands as you want
- Favorite brands will be pre-selected each time the catalogue is opened

3 WAYS TO SEARCH ON THE CATALOGUE:

1

2

3

It is possible to filter the search by season

Search : DIMENSIONS REFERENCE / EAN

WIDTH HEIGHT DIAMETER

LOAD SPEED

Summer tires Runflat

Winter tires

All Season Tire

1. By tyre dimensions: Ex. 2055516 or 205/55/16
2. By reference or EAN code
3. By parameters (required to choose the first 3 parameters: width, height and diameter)

Run flat filter

SEARCH RESULTS

Comparison/quote of the selected tires

The results of the search will be displayed in sets of 50 with the possibility of 100 references per page
